AQUA QUEST RELEASES NEW EDITION OF COZUMEL DIVE GUIDE

The second edition of *Diving Cozumel*, just released by Aqua Quest Publications, is a complete revision with new dive sites, and revised information on hotels, restaurants and local attractions. Also included are new environmental programs in the national park such as tagging alligators and swimming with dolphins.

Author Steve Rosenberg describes the island's lush reefs, which offer incredible drop-offs, pinnacles, and labyrinths of interconnecting coral caves and tunnels. This comprehensive revision includes over 100 color photos and covers in detail 33 of the best shore and boat dive sites. For each of the primary sites, a cross-section diagram is provided which shows the bottom profile and depths at various points of interest. A full description of the marine life found at each site is also included.

—MORE—

In addition to being one of the most reasonably priced dive destinations in the Caribbean, Cozumel has numerous topside attractions ranging from archaeological wonders to excellent restaurants and discos. Found in this book is information on where to stay, dine and shop. And for those wishing to explore the island or the nearby Yucatan Peninsula, a chapter is devoted to the extensive Mayan ruins and beautiful beaches.

There is a chapter on the island's history, and one on Cozumel's interesting and unusual marine life such as the splendid toadfish. A two-page map, and appendices of dive operations and emergency numbers round out this useful guide which will help you get the most from your vacation. To view the complete table of contents visit www.aquaquest.com.

Steve Rosenberg is a widely published writer and photographer specializing in the underwater world with five books to his credit. When not teaching photography seminars or leading dive expeditions, he practices law in Alameda, California.

Diving Cozumel is available for \$18.95 at dive centers, on the internet, or directly from the publisher: Aqua Quest Publications (www.aquaquest.com), PO Box 700, Locust Valley, NY 11560-0700; Tel: (800) 933-8989, (516) 759-0476; Fax: (516) 759-4519.
